This does not apply to Air Only or Super Air Fares, Square Deals, special packages and booking date-restricted sales.

2) Apple Vacations' Pre-Departure Cancellation/Change Waiver (Not applicable on non-refundable or non-transferable hotel promotions.) **This plan allows you to cancel or change your vacation up to the scheduled time of departure (except for "no shows" and any passengers cancelling as a result of denied boarding on the day of departure).** When a cancellation is made during a penalty period your **charter/land only cancellation penalty will be refunded in Apple Vacations' travel certificates** (redeemable through the original booking agency), with the balance of the refund made in the original form of payment. **The entire refund will be in original form of payment if the passenger purchased the "cash back" option at time of booking for an additional \$30 per person. The AV-OK plan payment will be deducted from any refund.** Apple Vacations travel certificates may be used like cash when purchasing an Apple Vacation, are valid for one year, are non-refundable and non-transferable (issued only in the name of the passenger who cancelled) and may not be redeemed for cash. Apple Vacations' amendment fees are waived under this coverage. **Scheduled airfares including non-refundable airfares and airline penalties are now covered, with all refunds made in the original form of payment.**

Please note: This coverage is non-transferable and must be re-purchased/re-activated if you want to have coverage on certain amended bookings. Name changes require full re-purchase of AV-OK. Departure date, gateway, fare class, duration or destination changes require re-activation at a fee of \$25 per person (charter/land only) or **\$45 per person (scheduled air)**. If the number of individuals occupying a room changes, remaining travelers will be responsible for additional costs incurred as a result of a change in the per person occupancy rate. **Free Child Pricing: The first child (ages 2-12) receives the AV-OK Plan Coverage for free when traveling with two covered adults on charter air! If there are two or more qualifying children on a charter air booking, the savings is prorated between all the qualifying children. Additional adults on the booking do not generate more free children.**

Interrupt your Apple vacation due to a covered reason such as Injury; Sickness; death; or Other Covered Events (including up to \$100 per day to a maximum of \$500 for a delayed arrival on your Trip due to cancellation of arrangements by an airline as a result of bad weather) and your travel investment will be reimbursed. 1. Bookings and Payments

All that is required to reserve your vacation is a signed booking form and a deposit of \$125 per person, plus the AV-OK travel protection plan payment (if applicable). Apple Vacations and all the airlines it uses issue tickets and coupons covering transportation, hotel accommodations and other services and facilities. Neither Apple Vacations nor these airlines, or their respective subagents, shall be held liable for loss or damage to property or injury of person caused by reason of any defect, negligence, or other wrongful act or omission by any other transportation company, hotel agency or party providing such services or facilities, strike, war, terrorism, weather, quarantine, sickness, government restrictions or regulations, or any other cause beyond its reasonable control. All airlines concerned are not liable for any claim arising out of or in connection with carriage or other services or features otherwise performed or occurring in connection with this package, except as provided in the conditions of carriage for the airlines and the passenger tickets issued in conjunction with this package. Neither Apple Vacations nor the airlines are responsible under any circumstances for any bodily or emotional injury you may suffer in connection with your transportation, accommodations or any other arrangements in conjunction with this package.

5. Luggage and Personal Property

When you fly to and from your destination the Conditions of Carriage apply, some of which limit or exclude liability. The Conditions of Carriage are available by requesting them in writing from the carrier or by request at the airport. Some airlines do not cover damage to soft-sided luggage. The airlines maximum liability for loss, damage or delay to checked baggage is limited to \$2800 per ticketed passenger domestically

and \$9.07 per pound up to 44lbs per ticketed passenger for international travel. These limits will apply unless an excess valuation is declared at the time of check-in. **All lost or damaged luggage must be reported to the airline at the time of the incident and before you leave the airport.**

The maximum liability of the ground transportation company in resort for lost or damaged property is \$400. Loss or damage must be reported immediately. Apple Vacations does not accept liability for client luggage or personal property.

6. Forum Selection Clause

All vacations are subject to the terms and conditions shown on the Apple Vacations Fair Trade Contract and your booking of the vacation is acceptance of the terms of this contract. The Forum for resolution of disputes with this contract or with Apple Vacations is and shall be the States of Illinois and Pennsylvania and any action against Apple Vacations must be brought only in those states and in accordance with those states' laws, rules and procedures.

What We Provide In Return

1. Price Guarantee

Our intention is to provide you with the vacation which you have selected, at the price in effect at time of booking. If for any reason we have to increase the price of your vacation, including an error made in computing your price, we will offer you the option of cancellation without charge, provided that you advise us within seven days of your receipt of notice of the increase. This does not apply to price increases resulting from a change in U.S. or foreign government taxes or fuel surcharges.

If a scheduled airline initiates a schedule change which results in a fare increase, the passenger is responsible for the additional cost.

2. Flight Information

Your travel agent will be able to confirm the latest flight details at the time you make your reservation, and these will also appear on the booking confirmation we issue when we receive your deposit. Your flight tickets, which we dispatch two to five weeks prior to departure (*except for late bookings*), will contain your flight information. All times are subject to change. Apple Vacations assumes no responsibility for any passengers making independent connections to our flights.

3. Amendments & Cancellation

Special features offered by hotels are subject to change at the hotel's discretion. In the unlikely event that a major pre-departure change *involving a change of hotel, departure or return date, departure city or destination* becomes necessary, we will notify you as soon as possible. **If you find the revised arrangements we offer unacceptable, you will have the option of cancellation without charge (*less any insurance premium*) provided that you notify us within seven days of your receipt of notice of the change (*or prior to departure date if notified less than seven days prior*).**

In the event of a change, we will try to substitute comparable services, but in the event of complete cancellation by us or a supplier, our only liability will be to refund all monies paid (*public charters only*) or provide a refund in the form of an Apple Vacations credit. For charter flights only, if landing rights are denied by a foreign government, the flight will be cancelled with a full refund.

If you have purchased a optional tour through us, please note that the supplier's cancellation provisions only allow a refund if cancelled before noon the day prior to the excursion. See the excursion company to arrange a refund.

4. Refunds

Any refunds due to you will be made as soon as possible. Please note, however, that no refunds will be made for any services provided in the itinerary that you do not use.

Insurance premiums are non-refundable and non-transferable. Refunds (*if applicable*) for scheduled air programs must be issued upon the return of the unused ticket. **Apple Vacations accepts bookings only through travel agents** and all communications prior to your departure, including payment and refund transactions, must be via your travel agent.

If for any reason you should lose your scheduled airline ticket, you will have to purchase a new ticket at your own expense and upon your return home, you must contact your travel agent to begin refund procedures by completing a "Lost Ticket Application" (*fees may apply*). Any refunds made by the airline will be based on the value of the original ticket issued **less any airline processing fees**. In most cases the replacement ticket you have to purchase will be more expensive.

5. OUR RESPONSIBILITY TO YOU

Apple Vacations has made arrangements with airlines, hotels and other independent suppliers to provide you with the services you purchase. We have taken all reasonable steps to ensure that proper arrangements have been made for your vacation.

However, **we do not accept and expressly disclaim any liability for the actions or omissions of these independent suppliers, over whom we have no direct control.** If you find you have any dispute with such persons, however, we will give you as much reasonable help as we can in resolving this.

Please understand that we cannot control and will not be responsible for such factors as weather, government actions, terrorism, mechanical breakdowns, your physical, medical or mental disabilities, your failure to obtain valid travel documents or your failure to follow travel instructions.

Apple Vacations is not responsible for losses or damages arising from bodily or emotional injury, property or other economic damage caused by factors beyond our control. Apple Vacations is not responsible for bodily, emotional or consequential damages or monetary losses due to flight delays, airline turbulence, transportation accidents or other unforeseen circumstances.

All prices and features described herein (as well as in Apple's print advertisements and website) are subject to change without notice. Some hotel room photographs do not depict the standard room category.

If any term or provision of this Fair Trade Contract is held invalid or otherwise unenforceable, the enforceability of the remaining terms or provisions will not be impaired thereby.

6. Handicapped Facilities

Apple Vacations does not guarantee the availability of wheelchairs at any airport. Wheelchair accessible rooms may be requested, but cannot be guaranteed. Standards may vary from property to property and country to country, and are not within the control of Apple Vacations.

7. Security

Apple Vacations has surety trust agreements with Susquehanna Patriot Bank, 101 Bryn Mawr Avenue, Bryn Mawr, PA 19010 for payment of any charter air package refunds as defined by the agreements.

Under these agreements, unless you file a claim with Apple Vacations (*or with the bank*) within 60 days after termination of your vacation, both parties shall be deemed released from all liability to you.

Make all checks payable to Susquehanna Patriot Bank Apple Vacations Escrow.

8. "AV-OK" Total Vacation Security Plan

Protect your travel investment with the purchase of our optional AV-OK Total Vacation Security Plan. This comprehensive 3-part plan safeguards your travel investment against penalties due to trip cancellation or interruption, baggage, medical expense or travel assistance. I understand **that if I purchase the AV-OK Total Vacation Security Plan, my refund for any applicable cancellation penalties will be in Apple Vacations Travel Certificates unless I purchase the "cash back" option. "Cash back" means refunds will be issued in the original form of payment. Refunds for scheduled air bookings with AVOK will be in the original form of payment. The AV-OK plan payment will be deducted from my refund.** In addition, if we offer a promotional discount on the exact same vacation you had previously booked, you can claim the savings prior to departure (*this does not apply to Square Deals, Air Only, and booking-date restricted sales*).
