Breezes Resort and Spa Panama is not just the first Super-Inclusive resort in Central America, it's also the first Breezes Resort ever to grace the shoreline of the Pacific Ocean. Everything is included to make Breezes one of the world's favorite Caribbean resorts. Breezes Panama is destined to become the next vacation hot spot. Breezes Panama overlooks a spectacular stretch of beach in the Santa Clara region, known as "The Dry Arc" for its comfortably dry climate throughout most of the year. Lush, tropical vegetation on one side, and the Pacific Ocean on the other, Breezes Panama is an adventurer's dream come true. From eco to archeological tours, from white water rafting to hiking, and the famous Panama Canal, you will find it all right here. For the less adventurous, there's a spa and of course, an array of bars and restaurants. The hotel is located approximately an hour and forty five minutes from Panama's Tocumen International airport along the Pan-American Highway.
