How much fun can you have on a cruise aboard this fabulous floating resort? As much as you can *imagine*. There are more delicious dining options, onboard activities, entertainment choices, casino games and relaxing spa treatments than you could have ever dreamed. Book your cruise now and spend a few days letting your *Imagination* -- and the rest of you -- run wild. Crystal-clear waters, wonderful shopping, beautiful beaches and water sports are all part of the fun on this 5 Day Eastern Caribbean cruise.

- Your ship -- From Egypt to England to Xanadu. The *IMAGINATION* is a ship that delights in surprising her guests with unique motifs and flights of fantasy. Her promenade is lined with golden sphinxes and other mythological creatures. Two of her exotic lounges are named after the fabled paradises of Shangri La and Xanadu. Her library has the quiet charm of an English manor, while her El Dorado Casino, named for the legendary land of gold, constantly rings with excitement.
- Dining. Carnival offers a variety of dining options including steaks and lobsters. You can also choose casual dining on the Lido deck.
- Entertainment. Stroll from nightclub to show lounge enjoying Carnival's nightlife. A piano bar; rock, jazz, classical--and of course karaoke--plus comedians and "Vegas-Style" shows all light up your "Fun Ship". Featuring some of the largest casinos at sea, the Imagination offers slots, blackjack, roulette, craps and more.
- The Imagination also offers a complete range of relaxing spa treatments, and provides modern, well-equipped health clubs on board.
