

# Montreal International Jazz Festival

July 1 - July 7, 2008  
6 Days/5 Nights

The gigantic summer music celebration features 11 days of non-stop entertainment, from noon to midnight, right in the heart of downtown Montreal. Several city blocs are closed to traffic, as right of way is given exclusively to pedestrians, creating a festive and secure spot with cafés and bistros, an art gallery, street performers and a musical park for children. It's the summer celebration par excellence for people of all ages and origins, a cultural breath of fresh air, and a place for incredible musical discoveries.

The Festival International de Jazz de Montréal is a veritable crossroads for jazz and its related musics, where cultures of the world are opened to the most passionate of music fans. With an always richer and more diversified program, the huge success of MMMIS and the new Montreal Guitar Show, the Festival offers the best and most comprehensive musical environment available in one self-contained event: a program of 658 performances featuring 372 free shows, 189 indoor shows and 97 more in the jazz clubs of Nuits de Montréal in addition to the showcase of 100 brands, 75 luthiers and dozens of free activities and workshops created as part of the MMMIS. The Festival program presents a veritable musical world tour, both in its indoor venues and on its outdoor stages, from Afrobeat to Brazilian to Arab, from morna to klezmer, from New Orleans to the finest in French jazz. Musical ambassadors from close to 30 countries enliven our stages, and an impressive number of tourists dive each year into our jazz ocean. Major headliners, living legends, new discoveries and exclusives fill out 15 diverse and high-quality series. At the dawn of its 30th anniversary, the Festival is not only more than ever curious and in love with this music without border, but also increasingly more eager to make people discover it. Come and join the party in the heart of the city at the 29th edition of the world's largest festival. Our package starts on Wednesday July 1. The Jazz Festival ends on Sunday, July 6 and we leave Montreal on Monday, July 7. You can enjoy 5 days of jazz or take in the sights of Montreal, a truly vibrant and exciting city.
